More info on how the donation is to be used:

BYLAWS SUMMARY: Chequamegon Wildlife and Recreation Club has been established to support and promote public education, public facilities improvements, scientific study, and conservation and stewardship **relating to natural resources and public outdoor recreation facilities**. Emphasis will be placed on activities that benefit the southern unit of Chequamegon National Forest and other portions of western Taylor County, Wisconsin. Please note that CWRC can not donate to any private individual for any purpose.
